# About Us

Innovative design and manufacturing is always pursued by SANYE. Since 2002, SANYE has started to product fittings, valves and tubings for our customers. By providing quality products with promised 100PPM, the SANYE brand is ackonleged by OE factories wordwide.

All fittings, valves and tubings are 100% leaking tested before delivery, which guarantee the lower risk for our customers. Materials we are offering includes stainless Steel series, carbon steel, aluminum, brass, copper, nylon series etc. The surface treatment for the Salt spray test can acheive more than 1000 hours as requested. More requirement can be designated for customers. All products meet SAE, DOT & ASTM requirements and SGS test reports are offered for batch orders.

**AUTOMATIC ASSEMBLING MACHINE-Testing Point Fitting**  
**IATF16949/AMECA/DOT CERTIFIED**

## Certificate of DOT Compliance

**This Certifies that:**

**Zhejiang Sanye Machinery CO.,LTD**  
**No.18 Dajiang Road, Diankou Town, Zhuji City,**  
**Zhejiang Province, 311835 China**  
**Manufacturer ID: 7642**  
**DOT Code: 5Y**

Was registered with U.S. Department of Transportation(DOT), satisfy the Code of Federal Regulations 49 CFR 551, 566. Such registration has been verified with the registrant's authorization by America A9 Enterprise LTD as 3<sup>rd</sup> party.

An acknowledgement of Zhejiang Sanye Machinery Co.,Ltd's registration as a U.S. market motor vehicle hose manufacturer will be displayed in the Part 571.106 sub-database at: <https://vpic.nhtsa.dot.gov/mid/>

**Please note that,** DOT is not issue a certificate of hose, Because The Unite States uses a self-certification system in which the manufacturer is required to certify that each product it manufacturers complies with the applicable FMVSS. Although NHTSA has registered Zhejiang Sanye Machinery Co.,Ltd as a manufacturer, NHTSA does not presume or suggest that motor vehicle hose manufactured by Zhejiang Sanye Machinery Co.,Ltd meet the requirements of FMVSS. It is Zhejiang Sanye Machinery Co.,Ltd exclusive responsibility as a manufacturer, to enact engineering effort and to perform compliance testing to ensure that its motor vehicle hose comply with the requirements of FMVSS106.

*This Certificate affirms that America A9 Enterprise LTD has verified that the above stated facility is registered with the U.S. Department of Transportation(DOT), on the date stated below, and makes no other representations and warranties, nor does this certificate makes other representations and warranties to other person or entity other than the name certificate holder, for whose sole benefit it is issued. America A9 Enterprise LTD. assume no liability to any person or entity in connection with the foregoing. America A9 Enterprise LTD is a private registration agent and it's not affiliated with the U.S. Department of Transportation(DOT).*
